In Re: Docket No. 2007-286-W/S

To Whom It May Concern:

I am writing in regard to the public hearing on Thursday, December 13, 2007 regarding Docket No. 2007-286-W/S. I request a hearing in Anderson County, South Carolina. Because of my age and disability, it will create a hardship on me to travel to Columbia for the hearing.

I oppose the rate increase filed by Utilities Services of South Carolina. I wish to inform you of my intent to present evidence at the hearing. If I don't present evidence, I want to participate with the right to cross-examine, requiring 10 minutes or less. I wish to be notified of any change in the hearing date.

Your consideration in this matter is appreciated.

Sincerely,

Annice T. Johnson
